This thrilling adaptation of Charles Dickens' holiday classic uses only five actors to bring some of Dickens' most beloved characters to life.

Patrick Barlow's *A Christmas Carol* uses nothing more than some simple props, fresh physicality, and the power of imagination to convey this timeless story of redemption.

Witness Ebenezer Scrooge's transformation from a stingy miser to a man who generously celebrates the spirit of the season all year long, in this highly theatrical adaptation.

*American Classic*  
March 29-April 14, 2024

Ethel and Norman are spending their 48th summer at their vacation home on Golden Pond, in the woods of Maine.

When their daughter visits for Norman's 80th birthday, bringing her boyfriend and his teenage son, the turbulent relationship between father and daughter, the generation gap between young and old, and the difficulties of a couple in the twilight years of a long marriage, all combine in a play that effortlessly illustrates the hilarious, heartbreaking, human moments of which life is made.
