

LIMELIGHT

ACTORS THEATER

By SVCT In Gilroy

Casting Process

Limelight Talent Database - Are you interested in being a part of Limelight? We are collecting and building a database of adult actors, directors, and stage managers. Training will be available for stage managers.

To be included in this database, please send in a resume with your most current experience (actors, directors, and stage managers) and a current headshot (actors only) to LimelightCasting@SVCT.org.

General Auditions - For casting the upcoming season, a general audition will be held every August and again in January (if needed). Callbacks are by invitation only.

Notification of upcoming general audition dates and times will be communicated on our website, via email, and through Facebook.

Questions? Please contact Limelight's Managing Director, Robin Bezanson, at Limelight@SVCT.org.

South Valley Civic Theatre is a non-profit, volunteer run theater by and for our community. As such, we are committed to being open to and inclusive of prospective actors. Limelight-- now also by SVCT-- has that same commitment.
