President's Message

Dear GCT theatre-goers,

The Gilroy Community Theatre Board of Directors is overwhelmed, and we applaud the enthusiasm shown by you for our 1983-84 season. Your continued support has allowed us to bring to you tonight's show HELLO DOLLY!

GCT has been and continues to be committed to presenting quality theatrical productions for your entertainment and enjoyment. This year we have initiated many innovative and exciting programs, including hiring veteran director, George Costa for the entire season. We also have our teen's and children's resident performing groups, The South County Express and Mini-Express, who will be available for bookings soon.

If you have not yet become a member of the GCT family, now is the time to get your season's tickets or join as a member. These funds support our many community service programs such as scholarships, as well as regular season's shows.

Our sincere thanks to each and every one of you for your patronage and support. Sit back, relax and enjoy tonight's performance.
