The SVCT President's Message

Welcome to South Valley Civic Theatre's production of *The Wiz*. This is an exciting time to be involved in community theater. Our success on stage over the last few years has enabled us to grow. Sometime late this year, we expect to move into our new home in Morgan Hill. The City of Morgan Hill is reconstructing a church into a modern theater facility. It will be located north of the intersection of Dunne Avenue and Monterey Road, adjacent to the new Gavilan College complex.

Be sure to look for a great line up of shows for our next season, including *Gypsy*, *Follow That Rabbit*, *Sleepy Hollow*, *Lend Me a Tenor*, and *Sugar*. With our new season coming up, we ask you to consider becoming a member of our theater group. Membership information is available in the lobby. It is inexpensive and goes a long way toward supporting our efforts. Of course this season is not over. In June we will be bringing you an adult comedy, *Run for your Wife* – a dinner show that will be performed at the Old City Hall here in Gilroy.

It takes an outstanding group of leaders to bring together actors, musicians, technicians and support people, both backstage and in the lobby. Kudos goes to our producers, directors and support staff. There has been a commitment to hard work and energy spent by all to make this show happen but along the way, there has been much fun and laughter, making this a wonderful group of teens to work with. We take pride in our accomplishments and hope you have a wonderful evening at the theater tonight.

Richard Kaiser, SVCT President
