## The SVCT President's Message

Can you imagine your local town having a ban on dancing? Do you think that the teenagers in your community would put up with that? No, neither do I. But that is the reality faced by the cast in South Valley Civic Theatre's production of *Footloose*. The result is a terrific show with wonderful music and, of course, terrific dancing!

This is the fourth production in our 2003-2004 season, which concludes in May with the very popular classic, *Guys & Dolls*. We will soon be announcing our exciting 2004-2005 season, a series of shows that will appeal to all segments of our audience. I hope that you will come out to see all of these great productions, and if you feel the urge, to join us onstage or behind the scenes!

SVCT is a non-profit organization and all of our performers and stage crew are volunteers. We exist through the support from you, the audience. In addition to attending this performance, you can further support us by purchasing a season ticket or by becoming a member of SVCT. Membership is inexpensive and brings additional benefits, including discounted tickets and the chance to vote in our annual "Members Choice" awards.

It takes a lot of work to put on a play and I would like to thank the staff, the actors, and the parents of *Footloose* for giving of their evenings and weekends to get ready for the performance that you are about to see. I'm sure you will agree with me that it has been worth all the effort!
