## To the Children:

Have you ever wanted to fly? You probably have. You might even have tried jumping up in the air and flapping your arms. But it didn't work, did it? Little girls and boys can't fly, unless they are Peter Pan.

The story of the little boy who never grew up has been told several different times over the years. Did you know that the first play was performed 100 years ago? Many of you have seen the newest movie, Peter Pan, and you also know the familiar Disney version. Perhaps you have read a book or watched a live stage performance. No matter how many times you have seen it, this story remains a favorite of both children and grown-ups.

South Valley Civic Theatre is proud to present our production of Peter Pan. Every year SVCT presents a children's show to give our younger performers a turn to take the stage and develop their skills and talents. These young actors and actresses have been working very hard on this show, and as a bonus, some of them will get to fly!

Peter Pan is just one of the shows that we are presenting this year. In March you can come back to see our exciting teen show Footloose and in May you might even see your Mom or Dad on stage with us in the popular Guys and Dolls.

SVCT is a non-profit organization and all of our performers and stage crew are volunteers. We exist through the support from you, the audience. In addition to attending this performance, an audience member can further support us by purchasing a season ticket or by becoming a member of SVCT. Membership is inexpensive and brings additional benefits, including discounted tickets and the chance to vote in our annual "Members Choice" awards.

It takes a lot of work to put on a play and I would like to thank the staff, the actors, and the parents of Peter Pan for giving of their evenings and weekends to get ready for the performance that you are about to see. Now come with us and fly to NeverLand!

# The Tradition of the Gypsy Robe

Each South Valley Civic theatre production awards to a chorus or supporting cast member the right to wear the "Gypsy Robe" for the run of the show. This award is given to a cast member who has made special contributions of time and energy towards the good of the production. The robe is presented to the winner on opening night and the individual will put on the robe and bless the stage before the performance. It is the duty of the winning cast member to affix a patch to the robe, which signifies the show. The robe is then returned on closing night, to once again perform its duty and continue on with the tradition.
