## Message from the President

Welcome to SVCT's teen production of *Bye, Bye Birdie*. We hope our talented singing and dancing teens will brighten your evening and send you away tapping your toes and humming the catchy tunes of Lee Adams and Charles Strouse. Originally titled *Let's Go Steady*, this satire on American society is set in 1958. The name "Conrad Birdie" is a play on the name Conway Twitty, a popular singer at the time and the character is based on Elvis Presley, whose draft into the Army shortly before the musical was written-inspired the plot. The original Broadway production was a Tony Award-winning success and the show has continued to be a popular choice for teen productions. With all its fun and frivolity, the show brings to light the burden of an overbearing mother, the importance of acceptance and the struggle to follow your dream.

SVCT is presently celebrating its 40 anniversary year. We are a non-profit organization supported by ticket sales, memberships, concession sales, donations and grants. Our volunteer organization is made up of community members of all ages and from all walks of life with a passion for the theater and committed to our vision of bringing quality theater to South County and beyond. Each season we produce five shows; a children's production; a teen production; a family musical; and two adult shows, usually comedies. Open auditions are held for all shows.

Our next production will be the Moss Hart and George S. Kaufman comedy *You Can't Take it With You* which runs from March 13 through April 4. The final show of this season, *Annie Get Your Gun*, runs from May 8 through June 6. Check our web site for audition dates for this every popular musical.

If you are a regular to our theater I would like to thank you for your continued support.

If you have not done so already, please consider becoming a member of SVCT. Please stop by the membership table in the lobby during intermission for more information. Membership, in addition to helping SVCT financially, brings additional benefits including discounted tickets and voting privileges at our annual "Members Choice" awards.

Be sure to add your name to our mailing list in the lobby to guarantee receiving audition, performance and season ticket notices. We thank you for your patronage as an audience member and welcome and encourage you to become involved onstage as well as behind the scenes.

Now sit back, relax, and "Put on a Happy Face".

Carol F. Harris  
President, SVCT Board of Directors

## **The Tradition of the Gypsy Robe**

Each SVCT production awards “Gypsy Robe” to a cast member who has made special contributions of time, and energy towards the good of the show. The robe is presented to the recipient on opening night; they put on the robe, and bless the stage before the performance. It is the duty of the recipient to affix to the robe a patch that signifies the show. The Gypsy Robe is then returned closing night, to perform its duty for another show, and carry on the tradition.

The producers of *Bye Bye Birdie* are pleased  
to present the Gypsy Robe to  
Stephen Sandhu
