# President's Message

Dear GCT theatre-goers,

On behalf of the Gilroy Community Theatre Board of Directors, I would like to take this opportunity to sincerely thank you for your support of and enthusiasm for our 1983-84 season.

GCT has been and continues to be committed to presenting quality theatrical productions for your entertainment and enjoyment. We feel that this season's line-up of shows fulfills this commitment.

This year we have initiated many innovative and exciting programs, including hiring veteran director, George Costa for the entire season. We also have our teen's and children's resident performing groups, The South County Express & Mini-Express, who will be available for bookings soon.

We hope that you will continue to be a theatre supporter by joining our membership or buying season's tickets. These funds support our many community service programs such as the scholarship fund, as well as regular season's shows. Thanks to each and everyone of you for your patronage and support.

## Synopsis of Story

Our story is about The Game of Life! The "haves" are represented by "Sir", and he always beats his foil, "Cocky", representing the "have-nots". "Sir" insists the "haves" must retain their superior position even if the rules of the game are constantly changed. "Sir" reminds "Cocky" that it is the wisdom, courage, and foresight of the "haves" to improve the lot of the "have-nots". "Cocky" tries unsuccessfully again and again to play the game. He feels the downtrodden need more than hopes and dreams. They also need luck! Realizing that neither can make it alone, they reach an understanding as they share the load and head for the future.
