## There's No Business Like Show Business

There's no business like show business,  
like no business I know.

Everything about it is appealing,

Everything the traffic will allow

No where could you get that

happy feeling

When you are stealing that

extra bow.

There's no people like show people,

they smile when they are low.

Even with a turkey that you

know will fold

You may be stranded out in

the cold

Still you wouldn't change it for a

sack of gold.
