At The Pumpkin Patch in San Martin*

South Valley Civic Theatre

The President's Message

Welcome to the world of make-believe. SVCT has an exciting new season this year--our lineup of shows will entertain young and old alike. We will open with the musical *Gypsy*, followed by *Sleepy Hollow*, *Lend Me a Tenor*, *Follow That Rabbit*, and then *Sugar*. We invite you not only to watch our shows as an audience member but also to take part in our shows on stage or backstage. We are Community Theater and we need you! We are a fun-loving group who like the smell of greasepaint and the roar of the crowd.

The City of Morgan Hill is progressing quickly with the construction of a theater facility. They purchased a historic church building and set about remodeling and expanding its size to make a nice performing arts center. It is located north of the intersection of Dunne Ave and Monterey Hwy. The construction project is expected to be complete in December of 2002. We are planning to make this theater our home. If all goes well, you will no longer have to find us as we roam about Gilroy and Morgan Hill looking for a venue to perform in. The new theater will also provide some much needed creature comforts such as air conditioning and nice seating for our audience.

With the coming of our new facility, the need to sell SVCT memberships and season tickets is essential. When attending one of our shows, please consider the purchase of a membership. Your support will go a long way toward helping us bring quality theatrical performances to the stage. It is our goal to bring you great shows at a very low cost, and we have been meeting that goal for over 32 years. There has never been a better time to be involved with SVCT as we embark on our new season of growth.

I want to thank all who have supported our efforts in the past and those who will take a part in our future. Most especially I thank you, our audience, for your continued support.

2002-2003 SVCT Board of Directors
